In the event that funds available from all Pooled Classes is insufficient, the Trust will obtain such funds as are available therefor pursuant to Sections 6.2, 6.3 **[or 6.4]** of the Omnibus Agreement and Article 4 of the CIBC Omnibus Agreement, *pro rata*. In the event that funds available from all Pooled Classes is insufficient, the Trust will obtain such funds (other than in respect of amounts payable to the Indenture Trustee and amounts in respect of Existing Indemnity Claims) as are available therefor pursuant to Sections 6.2 or 6.3 of the Omnibus Agreement and Article 4 of the CIBC Omnibus Agreement, *pro rata*. (25) In determining whether it is appropriate to effect a holdback on account of certain taxes, fees, costs, charges, expenses and reimbursements payable or to be payable by the Trust prior to the next applicable Payment Date of a Class (and in determining the sum to be so held back) in accordance with Section 5.1, the Administrator, on behalf of the Trust, shall, exercising commercially reasonable judgment, take into account the reasonably expected timing of receipt by the Trust of amounts to be deposited to the Payment Account in the period in which the applicable Payment Date occurs. The allocated amount of fees, expenses and indemnities to be paid on any Payment Date shall be reflected in the relevant Payment Date Report. Each such report also shall reflect, (i) amounts reserved for payment of expenses and other amounts on a future date where the amount and the approximate date of payment are known at the time the Payment Date Report is prepared, and (ii) amounts reserved for payment of expenses and other amounts where the final amount owing and the payment date thereof have not been finally determined. In the case of amounts described in clause (i) of the preceding sentence, such amounts will

be released for payment by the Indenture Trustee when due; in the case of amounts described in clause (ii) of the preceding sentence, such amounts will be released for payment by the Indenture Trustee when definitively determined and due and payable, based upon information provided by the Administrator and the Accounting Agent, and shall be reflected by the Indenture Trustee, exercising its commercially reasonable judgment, in a supplemental Payment Date Report prepared by the Indenture Trustee. In the case of any payment in respect of fees, costs, charges, expenses, reimbursements or indemnities to be made as provided in this Indenture on a date other than a Payment Date, and which was not already contemplated by a previously prepared Payment Date Report (provided that sufficient funds are available for the payment thereof determined as described herein), funds for the payment thereof will be released for payment by the Indenture Trustee from the Expense Account, Uncapped Indemnity Account or Capped Indemnity Account, as applicable, when due and payable, based upon information provided by the Administrator and the Accounting Agent, and reflected in a supplemental Payment Date Report prepared by the Indenture Trustee. Where the information provided by the Accounting Agent conflicts or is inconsistent with the information provided by the Administrator, the Indenture Trustee shall advise the Administrator of such conflict or inconsistency and shall, unless advised otherwise by the Administrator, be entitled to rely on the information provided by the Administrator.

(26) If, notwithstanding the foregoing, any payment on the Notes shall be received at any time by any Holder of Notes (other than payment to such Holder by a transferee for a permitted transfer of Notes of such Holder), other than in accordance with this Indenture, then the funds received in respect of such payment shall be held by such Noteholder in trust for the Trust or the Collateral Agent and the other Specified Creditors and such Noteholder shall forthwith remit to the Trust or the Collateral Agent such funds to be paid by the Trust or the Collateral Agent in accordance with this Indenture.

(27) Each Holder of Notes, by accepting Notes and the benefits of this Indenture, hereby irrevocably authorizes and directs the Indenture Trustee and the Collateral Agent on its behalf to take such action (including the execution and delivery of documents of subordination) as may be necessary or appropriate to further assure the priority arrangements provided for herein regarding application of payments, and hereby appoints the Indenture Trustee as its agent for any and all such purposes.

(28) The Administrator and BlackRock Indemnified Parties may from time to time enter into agreements with respect to the allocation and sharing of amounts which they are entitled to receive in respect of indemnified claims and shall advise the Trust, the Indenture Trustee and the Accounting Agent of the terms of any such agreement entered into.

5.2 Priority Arrangements.

(1) Each Note will be created and issued and each Obligation will be incurred on the express understanding and acknowledgement that the rights under such Note or Obligation are subject in all respects to the priority arrangements set forth herein, and to the provisions set forth herein regarding application of payments.

(2) Without limiting the generality of any other provision in this Section 5.2 or in this Indenture, each of the Collateral Agent and the Indenture Trustee hereby acknowledges and agrees that (a) the Trust's obligation to pay all amounts owing to the Indenture Trustee and the Collateral Agent hereunder, and (b) the right of each of the Collateral Agent and the Indenture Trustee to require payment of any such amounts owing to it, are expressly limited to the amounts available for such purpose as expressly provided for herein.

(3) Amounts to be paid to the Payment Account of any Class pursuant to Section 5.1 are intended to be made in accordance with, and after application of payments required to be made pursuant to, the applicable Securitization Agreement (if any). Notwithstanding anything to the contrary contained in this Indenture, if, and to the extent that, any provision of Section 5.1 conflicts with or is inconsistent with any provision of any Securitization Agreement, the provisions of such Securitization Agreement shall govern.

(4) Holders of any Class of Notes and any other Specified Creditor may at any time respectively renew or extend the time of payment under such Holder's Note or under such other Specified Creditor's Obligation or exercise any other of its respective rights in respect of such Note or Obligation, including the waiver of an Event of Default, all without notice to or assent from any Specified Creditor that is stated to be a subordinate ranking obligation of the Trust in relation to such Noteholder or other Specified Creditor.

(5) Under no circumstances shall the Administrator or any of its Affiliates be deemed to be an obligor or guarantor or otherwise be deemed to be responsible for payment from its own funds of principal, interest, dividends or other amounts due on the Collateral or on the Notes or any other amounts hereunder.

5.3 Currency Conversion.

For the purpose of making payments out of any Payment Account pursuant to Section 5.1, the following provisions shall be applicable:

(1) The Payment Account for each Class may contain both Canadian Dollars and U.S. Dollars. The amounts to be paid out of amounts deposited to the Payment Accounts may be denominated in both Canadian and U.S. Dollars.

(2) Without in any way changing the priority of payments otherwise provided for in Section 5.1, amounts payable under Section 5.1 of equal priority shall be paid in the currency in which they are due firstly from amounts on deposit in the related Payment Account in the same currency and secondly, if there are insufficient funds of the same currency, by converting an amount of the other currency into the same currency at the Prevailing Exchange Rate on the last day of the related Determination Period.

(3) If there are sufficient funds in any Payment Account to pay all amounts of equal priority, any *pro rata* allocation shall be made utilizing the procedures in Section 1.20.

(4) For the purpose of making *pro rata* payments of principal to the holders of Notes on any Payment Date, the amount available to pay principal and the outstanding principal amount of the relevant Notes shall each be calculated in the Reference Currency utilizing the procedures in Section 1.20 and then the percentage which the total amount available to pay principal in respect of such Class of Notes is of the outstanding principal of such Class of Notes will be calculated. Each Noteholder of the Notes of such Class shall be entitled to receive a principal payment on the Payment Date equal to the calculated percentage of the principal amount of Notes of such Class held by it.

- (a) a default by the Trust in making or causing to be made any payment of any amount owing under any Note of any Class or any amount owing to any Specified Creditor that has recourse to the Collateral of that Class, that, by its terms, is then required to be paid (other than where the Indenture Trustee is satisfied that the non-payment has resulted from inadvertence or error on the part of the Trust and which is capable of timely rectification without having a material adverse effect on the Holders of Notes of such Class), which default continues unremedied for a period of 3 Business Days after the date on which written notice of such Default, requiring the same to be remedied, shall have been given to the Trust by the Indenture Trustee or to the Trust and the Indenture Trustee by Holders of Notes representing at least 25% of the aggregate unpaid principal amount of the applicable Class of Notes then outstanding; provided that, for greater certainty, no such Default shall be considered to occur as a result of amounts that may be deducted or withheld

under the Tax Act or any other applicable taxation statute by or on behalf of the Trust, the Collateral Agent or the Indenture Trustee from any payment to be made to any Holder of Notes of such Class having been so deducted or withheld and such amounts having been remitted to the appropriate Governmental Authorities on behalf of such Noteholder;

- (b) a default in any material respect by the Trust in the observance or performance of any other covenant or agreement of the Trust made in this Indenture, which continues to be unremedied for a period of 30 days after the date on which written notice of such default, requiring the same to be remedied, shall have been given to the Trust by the Indenture Trustee, or to the Trust and the Indenture Trustee by Holders of Notes representing at least 25% of the aggregate unpaid principal amount of the applicable Class of Notes then outstanding; provided that, for greater certainty, no such default shall be considered to occur as a result of amounts that may be deducted or withheld under the Tax Act or any other applicable taxation statute by the Trust, the Indenture or any other Person from any payment to be made to any Specified Creditor of such Obligation having been so deducted or withheld and such amounts having been remitted to the appropriate Governmental Authorities on behalf of such Specified Creditor;
- (c) any representation or warranty made by the Trust in this Indenture or in any certificate or other document delivered pursuant hereto or thereto or in connection herewith or therewith is incorrect as at the time made, which incorrectness has a Material Adverse Effect and which continues to be incorrect or unremedied, and continues to have such a Material Adverse Effect, for a period of 30 days after the date on which written notice of such incorrectness, requiring the circumstance or condition in respect of which such representation or warranty was incorrect to be eliminated or otherwise remedied, shall have been given to the Trust by the Indenture Trustee, or to the Trust and the Indenture Trustee by Holders of Notes representing at least 25% of the then aggregate unpaid principal amount of the applicable Class of Notes then outstanding;

Subject to Section 9.2(2), Section 9.4 and Section 9.15, upon the Indenture Trustee making any such Declaration of Acceleration, the Trust shall or shall cause the Collateral Agent or the Indenture Trustee, as applicable, to pay all outstanding principal, interest and other amounts owing hereunder and under the applicable Class of Notes and Trust Indebtedness of other Specified Creditors having recourse to the Collateral to which such Class has recourse then outstanding in accordance with the order of priorities set forth herein.

(2) At any time after a Declaration of Acceleration has been made under Section 9.2(1) that the Notes of a Class then outstanding are immediately due and payable and before a judgment for payment of the money due thereunder has been obtained with respect to such Notes, such Declaration of Acceleration may be rescinded and annulled by an Extraordinary Resolution from the Holders of the applicable Class, provided that, in the case of an Extraordinary Resolution made in a written document, a copy of written notice of such Extraordinary Resolution shall be given to the Trust and the Indenture Trustee and

- (a) the Trust shall have paid or caused to be paid or deposited with the Indenture Trustee a sum sufficient to pay:

- (i) all payments of principal, interest and other amounts on all Notes of the applicable Class and Trust Indebtedness of other Specified Creditors having recourse to the Collateral to which such Class has recourse that by the terms of such Notes or Trust Indebtedness and hereunder are then required to be paid if the Event of Default giving rise to such Declaration of Acceleration had not occurred; and
- (ii) all sums paid or advanced by the Indenture Trustee hereunder and the reasonable compensation, expenses, costs, charges and advances of the Indenture Trustee and its agents and counsel; and

(b) all Events of Default, other than the nonpayment of the principal and interest on the Notes that has become due solely by such Declaration of Acceleration, have been cured or waived as provided in Section 9.4(1).

9.3 Notice of Event of Default.

(1) The Indenture Trustee shall give written notice of the occurrence of every Event of Default to the Noteholders of the applicable Class within a reasonable time, but not exceeding in any event 10 days, after the Indenture Trustee becomes aware of the occurrence thereof in accordance with Section 11.9(1), unless the Indenture Trustee in good faith determines that the withholding of such notice is in the best interest of such Noteholders, collectively, and so advises the Trust in writing. The Indenture Trustee shall give written notice of the occurrence of every Event of Default to the Trust within 5 Business Days after the Indenture Trustee receives notice of the occurrence thereof in accordance with Section 11.9(1).

(2) Where such notice of an occurrence of an Event of Default has been given and the Event of Default is thereafter cured, notice that the Event of Default is no longer continuing shall be given by the Indenture Trustee to the Persons to whom notice was given pursuant to Section 9.3(1) within a reasonable time, but not exceeding in any event 20 days, after the Indenture Trustee receives notice that the Event of Default has been cured.

(1) The Holders of the applicable Class shall be permitted to provide an Extraordinary Resolution instructing the Indenture Trustee to waive, in which case the Indenture Trustee shall waive, any Default or Event of Default by the Trust in the performance of obligations hereunder or in any other applicable Trust Document, and its consequences.

(2) Upon any such waiver, the Trust, the Indenture Trustee, the Noteholders and, unless the document under which an Obligation has been incurred expressly provides otherwise, the other Specified Creditors shall be restored to the fullest extent possible to their former positions and rights hereunder or thereunder, respectively; such Default shall cease to exist and be deemed to have been cured and not to have occurred, and any Event of Default arising therefrom shall be deemed to have been cured and not to have occurred, for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other Default or Event of Default or impair any right consequent thereon.

provided that in no case may the Collateral Agent, the Indenture Trustee or any Holder initiate any Proceeding under applicable bankruptcy or insolvency laws or that may affect any assets of the Trust other than the Collateral and until such time as the Other Trust Notes issued pursuant to the Trust's Other Trust Indenture have been repaid in full.

(1) The right of the Collateral Agent, the Indenture Trustee, any Noteholder or other Specified Creditor to initiate or pursue any action in this Article 9 or Article 10 shall be subject to the prior right of the Credit Default Swap Counterparties to initiate and pursue any remedy for any default provided for in the relevant Credit Default Swap.

(2) None of the Collateral Agent, the Indenture Trustee, a Noteholder or other Specified Creditor may initiate or pursue any action under this Article 9 or Article 10 with respect to any Class if the applicable Credit Default Swap Counterparty has initiated or is pursuing any right or remedy that would be adversely affected by any such action by the Collateral Agent, Indenture Trustee, a Noteholder or other Specified Creditor. For the avoidance of doubt, nothing in this Section 9.15(2) shall be interpreted as requiring any Credit Default Swap Counterparty to initiate or pursue any right or remedy.

No Noteholder or other Specified Creditor (other than the Collateral Agent or Indenture Trustee, on behalf of the Specified Creditors as provided in Article 9) shall have any right by virtue of any provisions of this Indenture to institute any Proceeding for the purpose of enforcing the Security Interests or for the execution of any trust or power hereunder or for the appointment of a Receiver with respect to the Collateral to which they have recourse or for the purpose of exercising any other remedy authorized or permitted hereunder; provided, however, that, subject to Section 9.15, any Holder of Notes of a Class may take any such action if the following conditions precedent have been fulfilled:

- (b) the Holders of the applicable Class representing more than 66-2/3% of the aggregate unpaid principal amount of such Notes shall have made a written request to the Indenture Trustee or the Collateral Agent, as applicable, and the Indenture Trustee or Collateral Agent, as applicable, shall have been afforded reasonable opportunity itself to either proceed to exercise the powers hereinbefore granted or institute a Proceeding in its name for the purpose requested;
- (c) such Noteholders shall have provided the Collateral Agent and the Indenture Trustee with sufficient funds and a satisfactory indemnity as provided in Section 11.9(2) and Section 12.8(2); and

it being understood and intended that no Specified Creditor shall have any right in any manner whatever to take any action against any Collateral to which the Specified Creditor does not have recourse pursuant to this Indenture or to affect, disturb or prejudice the rights of any other Specified Creditors, or to obtain or seek to obtain priority over or preference to any other Specified Creditors, or to enforce any right under the Notes, except in the manner herein provided. Except for a Proceeding contemplated by this Section 10.1, each and every Specified Creditor shall be entitled to such relief as can be given either at law or in equity.

10.2 Collateral Agent or Indenture Trustee Not Required to Possess Notes or Evidence of Obligations.

All rights of action under this Indenture or the Trust Documents may be enforced by the Collateral Agent or the Indenture Trustee, as applicable, without the possession of any of the Notes or any of the documents evidencing or relating to any of the Obligations in respect of any such Notes or the production thereof at any Proceeding relative thereto. Any such Proceeding instituted by the Collateral Agent or the Indenture Trustee may be brought in its own name as trustee of an express trust. 11.9 Conditions Precedent to Indenture Trustee's Obligation to Act.

(1) Except as otherwise expressly provided herein, the Indenture Trustee shall not be bound to give any notice, or to do, observe or perform or see to the observance or performance by the Trust of any of the obligations herein imposed upon the Trust or of the covenants on the part of the Trust herein contained, or to supervise or interfere with any of the activities of the Trust, or to do or take any act, action or Proceeding by virtue of the powers conferred on it hereby unless and until it shall have been required so to do under the terms hereof; nor shall the Indenture Trustee be required to take notice of any Default or Event of Default hereunder, other than in payment of any monies required by any provision hereof to be paid to it, unless and until notified in writing of such Default or Event of Default by the Issuer Trustee or the Administrator, on behalf of the Trust, or a Noteholder, which notice shall distinctly specify the Default or Event of Default desired to be brought to the attention of the Indenture Trustee and, in the absence of any such notice, the Indenture Trustee may for all purposes of this Indenture conclusively assume that the Trust is not in default hereunder and that no Default or Event of Default has occurred. Any such notice or requisition shall in no way limit any discretion herein given to the Indenture Trustee to determine whether or not to take action with respect to any Event of Default or with respect to any such requisition.

(2) The obligation of the Indenture Trustee to take any action or refrain from acting in relation to this Indenture, including to commence or to continue any Proceeding, shall be conditional upon the Holders furnishing, when required by notice in writing by the Indenture Trustee, sufficient funds to do such actions and to commence or continue such Proceeding and an indemnity reasonably satisfactory to the Indenture Trustee to protect and hold harmless the Indenture Trustee against the costs, charges and expenses and liabilities to be incurred thereby and any loss and damage it may suffer by reason thereof, including the indemnities contemplated by Section 9.5.

(3) None of the provisions contained in this Indenture shall require the Indenture Trustee to expend or risk its own funds or otherwise incur financial liability in the performance of any of its duties or in the exercise of any of its rights or powers unless provided with sufficient funds and indemnified as aforesaid.

(4) The Indenture Trustee may, before commencing or at any time during the continuance of any such Proceeding, require the Noteholders at whose instance it is acting to deposit with the Indenture Trustee the Notes held by them, for which Notes the Indenture Trustee shall issue receipts.

11.10 Indenture Trustee Not Required to Give Security.

The Indenture Trustee shall not be required to give security for the execution of the trusts or its conduct or administration under this Indenture.

11.11 Resignation or Removal of Indenture Trustee; Conflict of Interest.

(1) The Indenture Trustee represents and warrants to the Trust that at the time of the execution and delivery hereof no material conflict of interest exists in the Indenture Trustee's role as a fiduciary hereunder.

(2) The Indenture Trustee may resign its trust after giving 60 days' notice in writing to the Trust or such shorter notice as the Trust may accept as sufficient. The Indenture Trustee shall resign if a material conflict of

interest arises in its role as a trustee under this Indenture that is not eliminated within 90 days after the Indenture Trustee becomes aware that it has such a material conflict of interest. Forthwith after the Indenture Trustee becomes aware that it has a material conflict of interest it shall provide the Trust with written notice of the nature of that conflict. Upon any such resignation, the Indenture Trustee shall be discharged from all further duties and liabilities under this Indenture. If, notwithstanding the foregoing provisions of this Section, the Indenture Trustee has such a material conflict of interest, the validity and enforceability of this Indenture and of the Notes created, issued, certified and delivered hereunder shall not be affected in any manner whatsoever by reason only of the existence of such material conflict of interest at the date hereof or hereafter. If the Indenture Trustee contravenes the foregoing provisions of this Section, any Specified Creditor or the Trust may apply to the Ontario Superior Court of Justice for an order that the Indenture Trustee be replaced as trustee hereunder.

(3) No resignation or removal of the Indenture Trustee shall be effective unless a successor Indenture Trustee has been determined to be appointed effective immediately upon such resignation or removal. In the event of the Indenture Trustee resigning or being removed or being dissolved, becoming bankrupt, going into liquidation or otherwise becoming incapable of acting hereunder, the Issuer Trustee or the Administrator, on behalf of the Trust, or Noteholders of all Classes by Extraordinary Resolution (voting together) shall use commercially reasonable efforts to forthwith appoint a successor Indenture Trustee, unless a successor Indenture Trustee has already been appointed by the Noteholders; failing such appointment, the retiring Indenture Trustee, may apply to a judge of the Ontario Superior Court of Justice, on such notice as such judge may direct, for the appointment of a successor Indenture Trustee. Any successor Indenture Trustee so appointed by the Trust or by such court shall be subject to removal by the Noteholders by way of an Extraordinary Resolution of Holders of all Classes (voting together). Any successor Indenture Trustee shall (i) be a corporation authorized to carry on the business of a trust company in each of the provinces of Canada, and (ii) shall not be a non-resident of Canada for the purposes of the Tax Act and shall execute an agreement in writing agreeing to be bound by the terms of this Indenture. On any appointment of the successor Indenture Trustee, the successor Indenture Trustee shall be vested with the same powers, rights, duties and responsibilities as if it had been originally named herein as Indenture Trustee. If a successor Indenture Trustee fails to be appointed pursuant to this Section 11.11, the Indenture Trustee then appointed shall continue to act as Indenture Trustee notwithstanding any other provision of this Indenture. The expense of any act, document or thing required under this Section 11.11 will be satisfied from the property and assets of the Trust in the same manner as if the amount of such expense constitutes an amount in respect of fees payable to the Indenture Trustee under this Indenture.

(4) Any successor Indenture Trustee shall, forthwith upon appointment, become vested with all the estates, properties, rights, powers and trusts of its predecessors in the trusts hereunder, with like effect as if originally named as Indenture Trustee herein. Nevertheless, upon the written request of the successor Indenture Trustee or of the Issuer Trustee or the Administrator, on behalf of the Trust, the Indenture Trustee ceasing to act shall execute and deliver a document assigning and transferring to such successor Indenture Trustee, upon the trust herein expressed, all the rights, powers and trusts of the Indenture Trustee so ceasing to act, and shall duly assign, transfer and deliver all property and money held by such Indenture Trustee to the successor Indenture Trustee so appointed in its place. Should any deed, conveyance or other document in writing from the Trust be required by any successor Indenture Trustee for more fully and certainly vesting in and confirming to it such estates, properties, rights, powers and trusts, then any and all such deeds, conveyances and other documents in writing shall, on the request of the successor Indenture Trustee, be made, executed, acknowledged and delivered by the Issuer Trustee.

(5) Any corporation into which the Indenture Trustee may be merged or with which it may be consolidated or amalgamated or any company resulting from any merger, consolidation or amalgamation to which the Indenture Trustee shall be a party or any corporation to whom the Indenture Trustee has transferred its corporate trustee business shall be a successor Indenture Trustee under this Indenture, without the execution of any document or any further act; provided that such successor Indenture Trustee shall be a corporation qualified to carry on the business of a trust company in each of the provinces of Canada, shall not be a non-resident of Canada for the purposes of the Tax Act, shall not have a material conflict of interest in its role as a fiduciary under this Indenture and shall, in the event that such corporation does not become a successor Indenture Trustee by operation of law pursuant to such merger, consolidation or amalgamation, execute and deliver such written instruments as may be reasonably required to confirm and/or acknowledge its status as the successor Indenture Trustee. In the event such successor corporation does not satisfy the requirements of Section 11.11(5), the Indenture Trustee shall resign in the manner and with the effect specified in Section 11.11.

11.12 Authority to Carry on Business; Resignation.

The Indenture Trustee represents and warrants to the Trust that at the date of execution and delivery by it of this Indenture it is authorized to carry on the business of a trust company in each of the provinces of Canada. If, notwithstanding the provisions of this Section, the Indenture Trustee ceases to be so authorized to carry on business, the validity and enforceability of this Indenture and the Notes created, issued, certified and delivered hereunder shall not be affected in any manner whatsoever by reason only of such event but the Indenture Trustee shall, within 90 days after ceasing to be authorized to carry on the business of a trust company in each of the provinces of Canada, either become so authorized or resign in the manner and with the effect specified in Section 11.11.

11.13 Protection of Indenture Trustee.

By way of supplement to the provisions of any law from time to time relating to trustees and in addition to any other provision of this Indenture for the relief of the Indenture Trustee, it is expressly declared and agreed as follows:

- (a) the Indenture Trustee shall not be liable for or by reason of any statements of fact or recitals in this Indenture or in the Notes (except the representations and warranties contained in Section 2.37(2), Section 11.11(1), Section 11.12 and Section 11.14 which are being given by the Indenture Trustee in its personal capacity) or required to verify the same, but all such statements or recitals are and shall be deemed to be made by the Trust;
- (b) the Indenture Trustee shall not be bound to give to any Person notice of the execution hereof or of the Security Interests unless and until an Event of Default has occurred and Notes have been declared immediately due and payable in accordance with this Indenture, and the Indenture Trustee has determined or become obliged to enforce the same;
- (c) subject to Section 11.1, the Indenture Trustee shall not incur any liability or responsibility whatever in consequence of permitting or suffering the Trust to retain or to be in possession of any part of any of the Collateral and to use and enjoy the same unless herein expressly otherwise provided; nor shall the Indenture Trustee be or become responsible or liable for any destruction, deterioration, loss, injury or damage which may occur or be done by the Trust or by any other Person to any of the Collateral, or be in any way responsible for the consequence of any breach on the part of the Trust of any of the covenants herein contained or of any acts of the agents or servants of the Trust;
- (d) subject to Section 7.12 and Section 18.1, the Trust hereby indemnifies and saves harmless the Indenture Trustee and its officers, directors, employees, beneficiaries and stockholders from and against any and all liabilities, losses, costs, claims, actions, expenses (including reasonable legal fees and disbursements on a "full indemnity basis") or demands whatsoever which may be brought against the Indenture Trustee or which it may suffer or incur as a result of or arising out of the performance of its duties and obligations under or in connection with this Indenture, including those arising out of or related to actions taken or omitted to be taken by the Indenture Trustee contemplated hereby (except where otherwise provided in this Indenture), legal fees and disbursements on a "full indemnity basis" and costs and expenses incurred in connection with the enforcement of this indemnity, which the Indenture Trustee may suffer or incur, whether at law or in equity, in any way caused by or arising, directly or indirectly, in respect of any act, deed, matter or thing whatsoever made, done, acquiesced in or omitted in or about or in relation to the execution of its duties as Indenture Trustee and including any deed, matter or thing in relation to the registration, perfection, release or discharge of the Security Interests, save only in the event of the gross negligence or reckless disregard in acting or failing to act, or the wilful misconduct, dishonesty or bad faith of the Indenture Trustee. It is understood and agreed that this indemnification shall survive the termination or discharge of this Indenture and the resignation of the Indenture Trustee;

- (e) the Indenture Trustee shall not be liable for or by reason of any failure or defect of title to or any Lien upon any of the Collateral or for or by reason of the statements or implications of fact or law contained in or arising out of anything contained in this Indenture or in the Notes or be required to verify the same, but all statements or implications shall be deemed to have been made by the Trust only, and it shall not be the duty of the Indenture Trustee to see to the registration, recording or filing or renewal of this Indenture or any Trust Document upon any of the Collateral or any part thereof or upon any other property of the Trust or to procure any local mortgage, pledge or charge or other additional document of further assurance or to do any other act for the continuance of the Security Interests or for giving notice of the existence of any of the Security Interests or for extending or supplementing the same, or to insure or keep insured against loss or damage by fire or otherwise any of the Collateral or any part thereof, or to keep itself informed or advised as to the payment by the Trust of any taxes or premiums of insurance or other payments which the Trust should make or to require payments to be made; it being hereby agreed and declared that as to all matters and things referred to in this Section 11.13(e), the duty and responsibility shall rest upon the Trust and not upon the Indenture Trustee and the failure of the Trust to discharge this duty and responsibility shall not in any way render the Indenture Trustee liable or cast upon it any duty or responsibility for breach of which it would be liable;
- (f) the Indenture Trustee may, in the exercise of all or any of the trusts, powers and discretion vested in it hereunder, act by its Responsible Officers; the Indenture Trustee may also delegate to any Person the performance of any of the trusts and powers vested in it by this Indenture, and any delegation may be made upon terms and conditions and subject to regulations as the Indenture Trustee may think to be in the best interest of the Holders;
- (g) unless otherwise required herein, the Indenture Trustee shall not be required to take notice or be deemed to have notice or actual knowledge of any Event of Default or other matter hereunder, unless the Indenture Trustee shall have received from the Issuer Trustee or the Administrator, on behalf of the Trust, written notice stating the matter in respect of which the Indenture Trustee should have notice or actual knowledge;
- (h) the Indenture Trustee shall not be bound to act in accordance with any direction or request of or on behalf of the Trust until a duly authenticated copy of the document containing the direction or request has been delivered to the Indenture Trustee, and the Indenture Trustee shall be fully empowered to act and shall be fully protected from all liability in acting upon any document purporting to be proper and believed by the Indenture Trustee to be genuine; and
- (i) the Indenture Trustee shall not be responsible for any error made or act done by it resulting from reliance upon the signature of any Person on behalf of the Trust or of any Person on whose signature the Indenture Trustee may be called upon to act or refrain from acting under this Indenture.

The Collateral Agent, in its personal capacity or any other capacity, and any Affiliate thereof may each buy, sell, lend upon, become a pledgee of and deal in the Notes and generally contract and enter into financial transactions with the Trust without being liable to account for any profits made thereby. Except as expressly provided in this Indenture, neither the Collateral Agent nor any Affiliate thereof shall have any right of setoff, combination, consolidation or banker's lien against, and no right to otherwise deduct from, any funds on deposit in an Eligible Deposit Account held in trust for the benefit of the Holders.

12.8 Conditions Precedent to Collateral Agent's Obligation to Act.

(1) Except as otherwise provided herein, the Collateral Agent shall not be bound to give any notice, or to do, observe or perform or see to the observance or performance by the Trust of any of the obligations herein imposed upon the Trust or of the covenants on the part of the Trust herein contained, or to supervise or interfere with any of the activities of the Trust, or to do or take any act, action or Proceeding by virtue of the powers conferred on it hereby unless and until it shall have been required so to do under the terms hereof; nor shall the Collateral Agent be required to take notice of any Default or Event of Default hereunder, other than in payment of any monies required by any provision hereof to be paid to it, unless and until notified in writing of such Default or Event of Default by the Trust or a Noteholder, which notice shall distinctly specify the Default or Event of Default desired to be brought to the attention of the Collateral Agent and, in the absence of any such notice, the Collateral Agent may for all purposes of this Indenture conclusively assume that the Trust is not in default hereunder and that no Default or Event of Default has occurred. Any such notice or requisition shall in no way limit any discretion herein given to the Collateral Agent to determine whether or not to take action with respect to any Event of Default or with respect to any such requisition.

(2) The obligation of the Collateral Agent to do any of the actions referred to in Section 11.9(1), including to commence or to continue any Proceeding, shall be conditional upon the Holders furnishing, when required by notice in writing by the Collateral Agent, sufficient funds to do such actions and to commence or continue such Proceeding and an indemnity reasonably satisfactory to the Collateral Agent to protect and hold harmless the Collateral Agent against the costs, charges and expenses and liabilities to be incurred thereby and any loss and damage it may suffer by reason thereof.

(3) None of the provisions contained in this Indenture shall require the Collateral Agent to expend or risk its own funds or otherwise incur financial liability in the performance of any of its duties or in the exercise of any of its rights or powers unless provided with sufficient funds and indemnified as aforesaid.

(4) The Collateral Agent may, before commencing or at any time during the continuance of any such Proceeding, require the Noteholders at whose instance it is acting to deposit with the Collateral Agent the Notes held by them, for which Notes the Collateral Agent shall issue receipts.

12.9 Collateral Agent Not Required to Give Security.

The Collateral Agent shall not be required to give security for the execution of the trusts or its conduct or administration under this Indenture.

12.10 Resignation or Removal of Collateral Agent; Conflict of Interest.

(1) The Collateral Agent represents and warrants to the Trust that at the time of the execution and delivery hereof no material conflict of interest exists in the Collateral Agent's role as a fiduciary hereunder.

(2) The Collateral Agent may resign its trust after giving 60 days' notice in writing to the Trust or such shorter notice as the Trust may accept as sufficient. The Collateral Agent shall resign if a material conflict of interest arises in its role as collateral agent under this Indenture that is not eliminated within 90 days after the Collateral Agent becomes aware that it has such a material conflict of interest. Forthwith after the Collateral Agent becomes aware that it has a material conflict of interest it shall provide the Trust with written notice of the nature of that conflict. Upon any such resignation, the Collateral Agent shall be discharged from all further duties and liabilities under this Indenture. If, notwithstanding the foregoing provisions of this Section, the Collateral Agent has such a material conflict of interest, the validity and enforceability of this Indenture and of the Notes created, issued, certified and delivered hereunder shall not be affected in any manner whatsoever by reason only of the existence of such material conflict of interest at the date hereof or hereafter. If the Collateral Agent contravenes the foregoing provisions of this Section, any Specified Creditor or the Trust may apply to the Ontario Superior Court of Justice for an order that the Collateral Agent be replaced as trustee hereunder.

(3) No resignation or removal of the Collateral Agent shall be effective unless a successor Collateral Agent, has been determined to be appointed effective immediately upon such resignation or removal. In the event of the Collateral Agent resigning or being removed or being dissolved, becoming bankrupt, going into liquidation or otherwise becoming incapable of acting hereunder, the Issuer Trustee or the Administrator, on behalf of the Trust, or Noteholders of all Classes by Extraordinary Resolution (voting together) shall use commercially reasonable efforts to forthwith appoint a successor Collateral Agent unless a successor Collateral Agent has already been appointed by the Noteholders of all Classes (voting together); failing such appointment, the retiring Collateral Agent may apply to a judge of the Ontario Superior Court of Justice, on such notice as such judge may direct, for the appointment of a successor Collateral Agent. Any successor Collateral Agent so appointed by the Trust or by such court shall be subject to removal by the Noteholders by way of an Extraordinary Resolution of Holders of all Classes (voting together). Any successor Collateral Agent appointed under any provision of this Section shall be a corporation authorized to carry on the business of a trust company in each of the provinces of Canada and shall execute an agreement in writing agreeing to be bound by the terms of this Indenture. On any appointment of the successor Collateral Agent, the successor Collateral Agent shall be vested with the same powers, rights, duties and responsibilities as if it had been originally named herein as Collateral Agent. If a successor Collateral Agent fails to be appointed pursuant to this Section 12.10, the Collateral Agent then appointed shall continue to act as Collateral Agent notwithstanding any other provision of this Indenture. The expense of any act, document or thing required under this Section 12.12 will be satisfied from the property and assets of the Trust in the same manner as if the amount of such expense constitutes an amount in respect of fees payable to the Collateral Agent under this Indenture.

(4) Any successor Collateral Agent shall, forthwith upon appointment, become vested with all the estates, properties, rights and powers of its predecessors in the trusts hereunder, with like effect as if originally named as Collateral Agent herein. Nevertheless, upon the written request of the successor Collateral Agent or of the Issuer Trustee or the Administrator, on behalf of the Trust, the Collateral Agent ceasing to act shall execute and deliver a document assigning and transferring to such successor Collateral Agent, upon the trust herein expressed, all the rights, powers and trusts of the Collateral Agent so ceasing to act, and shall duly assign, transfer and deliver all property and money held by such Collateral Agent to the successor Collateral Agent so appointed in its place. Should any deed, conveyance or other document in writing from the Trust be required by any successor Collateral Agent for more fully and certainly vesting in and confirming to it such estates, properties, rights, powers and trusts,

then any and all such deeds, conveyances and other documents in writing shall, on the request of the successor Collateral Agent, be made, executed, acknowledged and delivered by the Issuer Trustee.

(5) Any corporation into which the Collateral Agent may be merged or with which it may be consolidated or amalgamated or any company resulting from any merger, consolidation or amalgamation to which the Collateral Agent shall be a party shall be a successor Collateral Agent under this Indenture, without the execution of any document or any further act; provided that such successor Collateral Agent shall be a corporation qualified to carry on the business of a trust company in each of the provinces of Canada and shall not have a material conflict of interest in its role as a fiduciary under this Indenture and shall, in the event that such corporation does not become a successor Collateral Agent by operation of law pursuant to such merger, consolidation or amalgamation, execute and deliver such written instruments as may be reasonably required to confirm and/or acknowledge its status as a successor Collateral Agent. In the event such successor corporation does not satisfy the requirements of Section 12.10(5), the Collateral Agent shall resign in the manner and with the effect specified in Section 12.10.

12.11 Authority to Carry on Business; Resignation.

The Collateral Agent represents and warrants to the Trust that at the date of execution and delivery by it of this Indenture it is authorized to carry on the business of a trust company in each of the provinces of Canada. If, notwithstanding the provisions of this Section, the Collateral Agent ceases to be so authorized to carry on business, the validity and enforceability of this Indenture and the Notes created, issued, certified and delivered hereunder shall not be affected in any manner whatsoever by reason only of such event but the Collateral Agent shall, within 90 days after ceasing to be authorized to carry on the business of a trust company in each of the provinces of Canada, either become so authorized or resign in the manner and with the effect specified in Section 11.11.

12.12 Protection of Collateral Agent.

By way of supplement to the provisions of any law from time to time relating to trustees and in addition to any other provision of this Indenture for the relief of the Collateral Agent, it is expressly declared and agreed as follows:

- (a) the Collateral Agent shall not be liable for or by reason of any statements of fact or recitals in this Indenture or in the Notes (except the representations and warranties contained in Section 12.10(1), Section 12.11 and Section 12.13 which are being given by the Collateral Agent in its personal capacity) or required to verify the same, but all such statements or recitals are and shall be deemed to be made by the Trust;
- (b) the Collateral Agent shall not be bound to give to any Person notice of the execution hereof or of the Security Interests unless and until an Event of Default has occurred and Notes have been declared immediately due and payable in accordance with this Indenture, and the Collateral Agent has determined or become obliged to enforce the same;
- (c) the Collateral Agent shall not incur any liability or responsibility whatever in consequence of permitting or suffering the Trust to retain or to be in possession of any part of any of the Collateral and to use and enjoy the same unless herein expressly otherwise provided; nor shall the Collateral Agent be or become responsible or liable for any destruction, deterioration, loss, injury or damage which may occur or be done by the Trust or by any other Person to any of the Collateral, or be in any way responsible for the consequence of any breach on the part of the Trust of any of the covenants herein contained or of any acts of the agents or servants of the Trust;
- (d) subject to Section 7.12 and Section 18.1, the Trust hereby indemnifies and saves harmless the Collateral Agent and its officers, directors, employees, beneficiaries and stockholders from and against any and all liabilities, losses, costs, claims, actions, expenses (including legal fees and disbursements on a solicitor and his own client basis) or demands whatsoever which may be brought against the Collateral Agent or which it may suffer or incur as a result of or arising out of the performance of its duties and obligations under or in connection with this Indenture, including

those arising out of or related to actions taken or omitted to be taken by the Collateral Agent contemplated hereby, legal fees and disbursements on a "full indemnity basis" and costs and expenses incurred in connection with the enforcement of this indemnity, which the Collateral Agent may suffer or incur, whether at law or in equity, in any way caused by or arising, directly or indirectly, in respect of any act, deed, matter or thing whatsoever made, done, acquiesced in or omitted in or about or in relation to the execution of its duties as Collateral Agent and including any deed, matter or thing in relation to the registration, perfection, release or discharge of the Security Interests constituted hereby, save only in the event of the gross negligence or reckless disregard in acting or failing to act, or the wilful misconduct, dishonesty or bad faith of the Collateral Agent. It is understood and agreed that this indemnification shall survive the termination or discharge of this Indenture or the resignation of the Collateral Agent;

- (e) the Collateral Agent shall not be liable for or by reason of any failure or defect of title to or any Lien upon any of the Collateral or for or by reason of the statements or implications of fact or law contained in or arising out of anything contained in this Indenture or in the Notes or be required to verify the same, but all statements or implications shall be deemed to have been made by the Trust only, and it shall not be the duty of the Collateral Agent, except as herein otherwise specifically provided, to see to the registration, recording or filing or renewal of this Indenture or any Trust Document upon any of the Collateral or any part thereof or upon any other property of the Trust or to procure any local mortgage, pledge or charge or other additional document of further assurance or to do any other act for the continuance of the Security Interests or for giving notice of the existence of any of the Security Interests or for extending or supplementing the same, or to insure or keep insured against loss or damage by fire or otherwise any of the Collateral or any part thereof, or to keep itself informed or advised as to the payment by the Trust of any taxes or premiums of insurance or other payments which the Trust should make or to require payments to be made; it being hereby agreed and declared that as to all matters and things referred to in this Section 12.12(e), the duty and responsibility shall rest upon the Trust and not upon the Collateral Agent and the failure of the Trust to discharge this duty and responsibility shall not in any way render the Collateral Agent liable or cast upon it any duty or responsibility for breach of which it would be liable;
- (f) the Collateral Agent may, in the exercise of all or any of the trusts, powers and discretion vested in it hereunder, act by its Responsible Officers; the Collateral Agent may delegate to any Person the performance of any of the trusts and powers vested in it by this Indenture, and any delegation may be made upon terms and conditions and subject to regulations as the Collateral Agent may think to be in the best interest of the Holders;
- (g) the Collateral Agent shall not be required to take notice or be deemed to have notice or actual knowledge of any matter hereunder, unless the Collateral Agent shall have received from the Trust written notice stating the matter in respect of which the Collateral Agent should have notice or actual knowledge;
- (h) the Collateral Agent shall not be bound to act in accordance with any direction or request of the Trust until a duly authenticated copy of the document containing the direction or request has been delivered to the Collateral Agent, and the Collateral Agent shall be fully empowered to act and shall be fully protected from all liability in acting upon any document purporting to be proper Notes and believed by the Collateral Agent to be genuine; and
- (i) the Collateral Agent shall not be responsible for any error made or act done by it resulting from reliance upon the signature of any Person on behalf of the Trust or of any Person on whose signature the Collateral Agent may be called upon to act or refrain from acting under this Indenture.

14.1 Calling of Meetings.

At any time and from time to time, the Issuer Trustee or the Administrator, on behalf of the Trust, or the Indenture Trustee may, and the Indenture Trustee shall on receipt of a written request signed by the Issuer Trustee or the Administrator, on behalf of the Trust, or Holders of the Voting Class then outstanding representing not less than 25% of the aggregate unpaid principal amount of the Voting Class, and upon receiving sufficient funds and being indemnified to its reasonable satisfaction by the Trust or by the Holders of the Voting Class signing such request, as the case may be, against the costs which may be incurred in connection with the calling and holding of such meeting, call a meeting of applicable Noteholders. If the Indenture Trustee fails within 15 days after receipt of such written request, such funds and such indemnity to give notice calling such meeting, such Holders of the Voting Class may themselves call such meeting and the notice calling such meeting may be signed by such Person as those Noteholders specify. Every such meeting shall be held in the Municipality of Metropolitan Toronto or at such other place as the Indenture Trustee shall approve or determine.

14.2 Record Date.

For the purpose of determining Noteholders entitled to receive notice of a meeting of Noteholders to be held pursuant to this Article 14, the Issuer Trustee or the Administrator, on behalf of the Trust, or the Indenture Trustee may fix in advance a date as the record date for determining such Noteholders, but the record date shall not precede by more than 50 or less than 21 days the date on which the meeting is to be held.

14.3 Notice of Meetings.

At least 21 days of prior notice of any meeting of Holders of the Voting Class shall be given to the Holders of such Voting Class, to the Trust (unless the meeting has been called by it) and to the Indenture Trustee (unless the meeting has been called by it) in accordance with Article 13. Such notice shall state the time when and the place where the meeting is to be held and shall specify, in general terms, the nature of the business to be transacted at such meeting. It shall not be necessary to specify in the notice the text of the resolutions to be passed. Such notice shall also state that any applicable Noteholder may be represented at any such meeting by a proxy duly appointed by document in writing in accordance with the regulations made from time to time by the Indenture Trustee pursuant to Section 14.14 and that the appointment of any proxy may be revoked at any time before the commencement of the meeting to which the appointment relates. Subject to Section 14.4(1), notices shall be given in the manner set forth in Article 13 and may be given by means of advertisement in newspaper pursuant to Section 13.3 and a copy thereof shall be delivered to the Indenture Trustee unless the meeting has been called by it.

14.4 Quorum.

(1) At a meeting of Noteholders, Persons entitled pursuant to Section 14.7(1) to vote Notes representing more than 25% of the aggregate unpaid principal amount of Notes then outstanding or of Notes then outstanding of such Class or Classes, as the case may be, shall constitute a quorum. No business shall be transacted in the absence of a quorum, unless a quorum is present when the meeting is called to order. If a quorum is not present on the date for which the meeting is called within 30 minutes after the time fixed for the holding of such meeting, then the meeting, if called pursuant to a request of any Noteholders, will be dissolved; but in any other case, the meeting shall be adjourned to the same day in the next calendar week (unless such day is not a Business Day in which case it will be adjourned to the next succeeding Business Day thereafter) at the same time and place and no notice will be required to be given in respect of such adjourned meeting. At the adjourned meeting, the Noteholders of the applicable Classes present in person or by proxy will constitute a quorum and may transact the business for which the meeting was originally convened, notwithstanding that such Noteholders may not represent 25% of the aggregate unpaid principal amount of Notes then outstanding or of Notes then outstanding of such Class or Classes, as the case may be. Any meeting of Noteholders duly called at which a quorum is present may be adjourned from time to time, and the meeting may be held as so adjourned without further notice.

(2) Where the Holder of a Note who has executed a document in writing appointing a Person as proxy and such Person who is a proxyholder is present at the meeting, the Holder shall be deemed to be present for the

purposes of determining a quorum and be deemed to have voted; provided, that such Noteholder shall be considered as present or voting only with respect to the matters covered by such document in writing.

14.5 Chairperson.

The Indenture Trustee shall appoint in writing an individual, who need not be a Noteholder, to be the chairperson of the meeting; provided, however, that the Holders of Notes representing more than 50% of the aggregate unpaid principal amount of the Notes then outstanding of all Voting Classes represented at the meeting may elect at such meeting another individual, who need not be a Noteholder, to be the chairperson of the meeting. No vote shall be cast or counted at any meeting in respect of any Notes challenged as not outstanding and ruled by the chairperson of the meeting to be not outstanding. The chairperson of the meeting shall have no right to vote except as a Holder of a Note or proxyholder.

14.6 Power to Adjourn.

The chairperson of any meeting at which a quorum of Noteholders is present may, with the consent of the Holders of a majority of the principal amount of Notes then outstanding represented thereat, adjourn any such meeting and no notice of such adjournment need be given except such notice, if any, as the meeting may prescribe.

14.7 Voting.

(1) To be entitled to vote at any meeting of Holders of Notes, a Person shall be (a) a Holder of one or more Notes then outstanding of the applicable Class or Classes or (b) a Person appointed by a document in writing as proxy by the Holder of one or more such Notes of such Class. A proxy need not be a Noteholder. In the case of joint registered Holders of a Note, any one of them present in person or by proxy at the meeting may vote in the absence of the other or others, but in case more than one of them is present in person or by proxy, they will vote together in respect of the Notes of which they are joint registered Holders.

(2) Every Noteholder present in person or by proxy shall be entitled to one vote in respect of each \$1 principal amount of Notes held by such Noteholder entitled to vote thereon. The number of votes to which a Noteholder holding Notes denominated in U.S. Dollars shall be entitled shall be determined based upon the Canadian Dollar/U.S. Dollar noon rate of exchange as published by the Bank of Canada on the record date for the applicable meeting or, where action is taken by signed document pursuant to Section 14.15, on the Business Day immediately preceding the date of such document.

(3) Every question submitted to a meeting, except any question subject to an Extraordinary Resolution or as contemplated by Section 14.9(1), shall be decided by a majority of votes of Noteholders voting and entitled to vote thereon.

(4) The vote upon any resolution submitted to any meeting of Noteholders shall be by a show of hands unless otherwise determined by the chairperson or demanded by Noteholders holding more than 5% aggregate principal amount of notes entitled to vote on such resolution that the vote shall be by written ballot on which shall be subscribed the name and signatures of Noteholders or proxies entitled to vote at such meeting and on which shall be inscribed the serial number or numbers of the Notes held or represented by them. The chairperson of the meeting shall appoint two scrutineers who shall count all votes cast at the meeting for or against any resolution and who shall make and file with the secretary of the meeting their verified written reports in triplicate of all votes cast at the meeting. (2) No Extraordinary Resolution or resolution pursuant to this Section 14.9 may be adopted, and no Amendment under Section 16.1 may be entered into, that could materially adversely affect the rights or interests of a Named Creditor in its capacity as such (other than a Noteholder) without the express written consent of such Named Creditor and the Indenture Trustee shall have no obligation to take any action pursuant to any Extraordinary Resolution or this Section 14.9 to the extent adopted in the absence of the applicable consents.

(3) Notwithstanding anything else contained in this Indenture, neither the Collateral Agent, the Indenture Trustee nor any Holder may initiate any Proceeding under any bankruptcy or insolvency Laws until such time as the Other Trust Notes issued under the Trust's Other Trust Indenture have been repaid in full and except with the approval of Holders holding 100% of the Notes then outstanding.

(4) It shall not be necessary for the consent of the Holders of Notes of any Class under Section 14.8, Section 14.10 or Section 16.1 or the other Specified Creditors whose consent is required to approve the particular form of any matter described in such provisions, but it shall be sufficient if such consent shall approve the substance thereof. The manner of obtaining such consents and of evidencing the authorization of the execution thereof shall be subject to such reasonable requirements as the Indenture Trustee may prescribe from time to time.

14.10 Powers Cumulative.

The powers granted in this Indenture shall be deemed to be several and cumulative and not dependent on each other and the exercise of one or more of such powers, or any combination of such powers, from time to time, shall be deemed to not exhaust the rights of the Noteholders to exercise such power or powers, or combinations of powers, thereafter from time to time.

14.11 Minutes.

Minutes of all resolutions and proceedings at every such meeting, as aforesaid, shall be made and duly entered in books to be provided from time to time for that purpose by the Indenture Trustee at the expense of the Trust and any such minutes, as aforesaid, if signed by the chairperson of the meeting at which such resolutions were passed or proceedings had, or by the chairperson of the next succeeding meeting of Noteholders, shall be *prima facie* evidence of the matters therein stated and, until the contrary is proved, every such meeting in respect of the proceedings of which meetings shall have been made shall be deemed to have been duly called and held and all resolutions passed or proceedings had at such meeting to have been duly passed and had.

14.12 Persons Who May Attend.

The only Persons who shall be entitled to be present or to speak at any meeting of Holders of Notes of a Class or Classes, as applicable, shall be the Persons entitled to vote at such meeting and their counsel, and the directors, officers and employees of the Issuer Trustee, the Indenture Trustee, the Collateral Agent and the Administrator.

14.13 Regulations.

The Indenture Trustee on the one hand, or the Administrator, on behalf of the Trust, with the approval of the Indenture Trustee on the other hand, may from time to time make and from time to time vary or revoke such regulations as it shall from time to time think fit providing for and governing all matters relating to proxies, including matters relating to the form of the document appointing a proxy and the deposit of documents appointing proxies. Any regulations so made shall be binding and effective and the votes given in accordance therewith shall be valid and shall be counted.

14.14 Signed Documents.

All actions which may be taken and all powers that may be exercised by the Holders of Notes of a Class or Classes, as the case may be, at a meeting of such Class or Classes, as the case may be, as provided in this Indenture may also be taken and exercised by a document in writing signed in one or more counterparts by the applicable percentage of Holders of Notes then outstanding of such Class or Classes, as the case may be. Every such document relating to any or all of such actions or powers shall have the same force and effect as a resolution duly passed at a meeting of the Holders of Notes of a Class or all applicable Classes, as the case may be, called for purpose of providing such action or power.

14.15 Binding Effect of Resolutions.

Every resolution (including every Extraordinary Resolution) passed in accordance with this Indenture at a meeting of the Holders of Notes of a Class or Classes, as the case may be, shall be binding upon all Holders of Notes of such Class or Classes, as the case may be, whether present or absent from such meeting, and every document in writing signed by the Holders of Notes of a Class or Classes, as the case may be, in accordance with Section 14.14 shall be binding upon all Holders of Notes of such Class or Classes, as the case may be, whether

signatories thereto or not, and each and every Holder of Notes of such Class or Classes, as the case may be, and the Indenture Trustee (subject to compliance with the provisions of Section 11.9(2) with respect to the giving of sufficient funds and indemnity) shall be bound to give effect accordingly to every such resolution and document in writing.

ARTICLE 15 **EVIDENCE OF RIGHTS OF SPECIFIED CREDITORS**

15.1 Evidence of Rights.

(1) Except as otherwise provided in any Extraordinary Resolution, any request, demand, authorization, direction, notice, consent, waiver, other document or other action which this Indenture may require or permit to be given or taken by all or any of the Specified Creditors may be embodied in and evidenced by one or more documents of substantially similar tenor executed by all or any of the Specified Creditors, in person or by attorneys duly appointed in writing; and, except as otherwise expressly provided herein, such action shall become effective when such document or documents are delivered to the Indenture Trustee and, where it is hereby expressly required, to the Trust in accordance with Section 15.1. Proof of the execution of any such document or of a document appointing any such attorney shall be sufficient for any purpose of this Indenture and conclusive in favour of the Indenture Trustee and the Trust, if made in the manner provided in this Article 15.

(2) The fact and date of the execution by any Person of any such document or writing may be proved by the certificate of any notary public or other officer authorized to take acknowledgements, that the Person executing such document acknowledged to such notary public or other officer the execution thereof by an affidavit of a witness of such execution or in any other manner which the Indenture Trustee may consider adequate.

(3) The fact of the holding of Notes by any Person executing such request or other document and the amounts, designations and numbers thereof and the date of such Person's holding the same may be proved by deposit of such Notes with the Indenture Trustee or by a certificate executed by any bank, trust company or other depository satisfactory to the Indenture Trustee, wherever situated, if such certificate shall be deemed by the Indenture Trustee to be satisfactory, certifying that on the date therein mentioned such Person had on deposit with such depository the Notes designated in such certificate and that such Notes will remain so deposited until the surrender or cancellation of the certificate. The Indenture Trustee may, nevertheless, in its discretion, require further proof in cases where it deems further proof desirable or may accept such other proof as it shall consider proper. The Indenture Trustee shall not be bound to recognize any Person as a holder of a Note unless and until such Person's holding thereof is proved as hereinbefore provided in this Article 15, or in such other manner as the Indenture Trustee may consider sufficient, provided, however, that the Indenture Trustee may, in its discretion, dispense with the requirements of such proof.

(4) Any Extraordinary Resolution, request, demand, authorization, direction, notice, consent, waiver, other document or other action by any Noteholder shall bind any subsequent Holder thereof and the Holder of any Note created, issued, certified and delivered in exchange therefor or in lieu thereof in respect of anything done, omitted or suffered to be done by the Indenture Trustee or Trust or agents of the Trust in reliance thereon, whether or not notation of such action is made upon such Note.

ARTICLE 16 **SUPPLEMENTAL INDENTURES AND AMENDMENTS**

16.1 Supplemental Indentures to this Indenture or any Trust Document.

(1) Without the consent of the Noteholders, from time to time, the Trust and the Indenture Trustee may, and shall upon the written request of the Issuer Trustee or the Administrator, on behalf of the Trust, or when so directed by this Indenture, make, execute, acknowledge and deliver deeds or indentures supplemental to this Indenture which shall then form part of this Indenture (such deeds and indentures supplemental are herein sometimes referred to as an "**Amendment**") for any one or more of the following purposes:

- (a) mortgaging, pledging, assuring, confirming or transferring to, or vesting in, the Collateral Agent, or charging in favour of the Collateral Agent, any property, real or personal, immovable or movable, now owned or hereafter acquired by the Trust, and providing that the same become and be part of the Collateral;
- (b) correcting or amplifying the description of any property specifically charged by the Security Interests or intended to be so charged;
- (c) giving effect to any Extraordinary Resolution and to any other request, demand, authorization, direction, notice, consent, waiver or other action given to or taken by the Holders of Notes as provided for and in accordance with this Indenture;
- (d) without limiting Section 16.2, evidencing the succession, or successive successions, of any other Person to the Issuer Trustee and the covenants and obligations of the Trust under this Indenture assumed by any such successor in accordance with the provisions of this Indenture;
- (e) making any addition to, or modification, amendment or elimination of any of the terms of, this Indenture which, in the Opinion of Counsel, is necessary or advisable in order to incorporate, reflect or comply with any applicable law or requirement of any Governmental Authority of any jurisdiction, the provisions of which apply to the Trust, the Administrator, the Issuer Trustee or, the Indenture Trustee or this Indenture; and
- (f) making any changes or corrections in this Indenture which are non-substantive corrections or changes or are to cure or correct any ambiguity or defective or inconsistent provisions or any clerical omission or mistake or manifest error contained herein or therein, or in any deed, or indenture supplemental hereto or thereto, provided that an opinion of Counsel is obtained by the Trust that such changes or corrections are permitted.

16.2 Automatic Amendment.

Upon the Issuer Trustee ceasing to be the trustee of Master Asset Vehicle **[I/II]**, this Indenture will be automatically amended to delete any reference to the name of the trustee so ceasing to be the trustee of Master Asset Vehicle **[I/II]** and to substitute therefor the name of the successor Issuer Trustee or Issuer Trustees as the continuing trustee or trustees of Master Asset Vehicle **[I/II]**, as the case may be and the covenants and obligations of the Trust under this Indenture shall thereafter be assumed by such successor Issuer Trustee, and the trustee so ceasing to be Issuer Trustee shall thereafter have no responsibility therefor, in accordance with the provisions of this Indenture.

ARTICLE 17 CONSOLIDATION AND MERGER

17.1 Certain Requirements in Respect of Merger, etc.

The Trust shall not enter into any transaction by way of merger, consolidation or other reorganization as long as any Notes are outstanding unless:

- (a) such other Person (herein called the “**Successor**”) is a trust, partnership or corporation constituted under the laws of the province of Ontario or the laws of Canada and is not a non-resident of Canada for the purposes of the Tax Act;
- (b) the Successor executes, prior to the consummation of such transaction, such indenture supplemental hereto and other instruments (if any) as are satisfactory to the Indenture Trustee and in the Opinion of Counsel necessary or advisable to evidence the assumption by the Successor of the liability for the due and punctual payment of all the Notes and the interest thereon, if any, and all other monies payable hereunder and the covenant of such Successor to observe and perform all the covenants and obligations of the Trust under this Indenture and the Notes;

- (c) such transaction is to the satisfaction of the Indenture Trustee who may rely in this regard upon an Opinion of Counsel upon such terms as substantially to preserve and not to impair any of the rights and powers of the Indenture Trustee, the Collateral Agent, the Noteholders and of other Specified Creditors hereunder; and
- (d) at the time of or immediately after the consummation of such transaction, no condition or event shall exist which constitutes or which would, after the lapse of time or giving of notice or both, constitute an Event of Default hereunder.

17.2 Vesting of Powers in Successor.

Upon satisfaction of the conditions of Section 17.1, the Successor shall succeed to and be substituted for the Trust with the same effect as if the Successor had been named herein and the Successor shall possess and from time to time may exercise each and every right and power of the Trust under this Indenture in the name of the Trust or otherwise.

17.3 Execution of Supplemental Indenture.

Upon being satisfied that the conditions of Section 17.1 have been duly observed and performed, the Indenture Trustee shall execute any supplemental indenture required.

**ARTICLE 18
GENERAL**

18.1 Limitation of Liability of Issuer Trustee.

written instrument other than in respect of such Person's own fraud, wilful misconduct, bad faith, gross negligence or reckless disregard of its obligations and duties.

(2) It is the intention of the parties hereto that the limitation of liability conferred by this Section 18.1 on the beneficiaries, incorporators, Affiliates, shareholders, officers, representatives, directors, employees, managers, members, advisors, agents or successors and assigns of the Issuer Trustee and of any beneficiaries of the Trust shall be enforceable by each such Person as fully and effectively as if it is a party to this Indenture and notwithstanding any law that otherwise might deprive it of the benefit of this Section 18.1 due to lack of privity or want of consideration.

18.2 No Petition.

Notwithstanding any prior termination of this Indenture, each Specified Creditor, by accepting the benefits of this Indenture, hereby covenants and agrees that, except in the case of the Collateral Agent in connection with the enforcement of its rights and remedies under Article 9, they will not at any time before or within one year and one day after the payment in full of all debt of the Trust institute against the Trust any bankruptcy, reorganization, arrangement, insolvency or liquidation Proceedings under any Canadian federal or provincial or foreign bankruptcy, insolvency, arrangement or similar laws, now or hereafter in effect, or otherwise take any action to appoint a receiver of the Trust or any substantial part of the Collateral, or ordering the winding-up or liquidation of the affairs of the Trust.
